

Special Measures Taken as Response to COVID-19 for
Privately Financed International Students Selection of Master's Program to
Chiba University Graduate School of Science and Engineering
April 2021 Admission

We have decided that we approve of their taking an online examination using internet connection in their country of residence when applicants currently staying outside Japan who plan to take an entrance examination of the Privately Financed International Students Selection to the Graduate School, cannot come to take the entrance examination in Japan.

However, that only applies to meet all the conditions below:

- _ They must satisfy Required Qualifications of application for the Privately Financed International Students Selection to the Graduate School.
- _ They must inform us all the items as stated below by email by Thursday, November 5, 2020.
(See 'ADVANCE NOTICE' below.)
- _ All application materials without error must arrive to the university during the application period.
- _ The effects do not interfere with an internet environment.

ADVANCE NOTICE

- Applicants need to contact a desired academic advisor of their first choice at the Graduate School in advance and discuss their research plan. (However, applicants to the Department of Physics may contact anyone of faculty members in their research subarea of the Department.)
