(3) Submission Method

① If mailing your application in Japan, please send it by a simple registered mail, writing “Contents: Request for Judging Applicant’s Qualification for Master’s Program for MEXT Scholarship Int’l Students Special Selection” in red on the envelope.

If mailing from outside Japan, send it by EMS (Express Mail Service).

Mailed applications must arrive before 17:00 Japan time by the same deadline as above.

Incomplete documents might be not accepted. When application is to be made directly from abroad, applicants are strongly advised to contact the department in charge of the admissions for the program (See p. 4.) for confirmation of the applications well ahead of the application deadline.

② If submitting your application in person, visit the department in charge between 9:00 and 17:00.

(4) Notification of Results

Applicants will be notified of the decision whether to recognize their qualification by a simple registered mail or EMS.

(5) Admission Application Procedures

The applicants who are approved that they are qualified to take the entrance examination by this graduate school, still need to submit the rest of the admission application documents during the admission application period (See Section 3 and 4.), though the documents already submitted in this recognition process are not necessary to be resubmitted for that.

(6) Entrants Selection Process

The admission’s selection of the applicants approved in this recognition process is conducted in the same manner as general applicants.

5. Entrants Selection Process

(1) Selection Method

Applicants will be selected based on an examination (an oral interview) and academic transcripts.

(2) Examination

Oral interview: It will include a check in the basic scholastic ability and a research proposal and others.

*For applicants residing abroad, the examination date and place might be considered and then decided based on the advance consultation before the admission application. Please contact desired supervisor for more information.

(3) Examination Date and Time

Tue., August 16, 2022, 10:00 a.m.

(4) Examination Location
