

Research Ethics Education Requirement for Students Admitted in October 2025

In accordance with the *Guidelines for Responding to Misconduct in Research Activities* (established by the Minister of Education, Culture, Sports, Science and Technology/MEXT), Chiba University requires all researchers to complete research ethics education.

Graduate students admitted in October 2025 are also required to complete research ethics training via e-learning (APRIN).

Please register for the course on the APRIN website (<https://edu.aprin.or.jp/>), following the attached instructions.

****Please complete the research ethics education (e-learning) after receiving your student ID card on October 1.**

After completing the course, please submit your certificate of completion along with your “Course Plan” to your academic advisor.

****Students entering the doctoral program must retake the course, even if they completed it during their master’s program.**

Important: Students who do not complete the training will not be permitted to register for the compulsory courses “Graduate Research I & II.”

How to:

1. Access the APRIN website: <https://edu.aprin.or.jp/>

2. Read the User Manual before logging in.

Username (ID): CU + your Student ID code

(e.g. Student ID: 25WM0000 → Username: CU25WM0000)

Password (PW): CU# + your Student ID code (lowercase)

(e.g. Student ID: 25WM0000 → Password: CU#25wm0000)

You can change your password after logging in.

3. Update your email address if a dummy address is set by default.
